

AMBER HILL CABERNET SAUVIGNON

2018 PASO ROBLES

THE VINTAGE

The 2018 vintage was a near picture-perfect growing season that began in late February followed by a mild Spring yielding uniform grape clusters. Temperatures remained moderate to cool throughout the season with 2018 being considered one of the coolest vintages of the past decade. The cooler temperatures allowed for a longer hangtime resulting in an even and temperate harvest.

CONVERSATIONS WITH THE WINEMAKER

Paso Robles is the largest geographic appellation in California and is especially well-suited for vines. Its terroir is an incomparable mix of dry days, cool nights and temperature swings that provide optimal growing conditions. This wine is a nod to this impressive and renowned winegrowing region.

WINEMAKER'S NOTES

A dark purple in color, this Cabernet Sauvignon is bursting with dense, dark fruit aromas mixed with black currants and spice. Boysenberry, blackberry and raspberry flavors are accented with notes of espresso, dark chocolate and a hint of wood. Structured tannins are followed by an ever-evolving finish.
