A long tradition...

In 1981, Lyeth Estate was founded in Sonoma County by Chip Lyeth. After traveling extensively in his quest for exceptional wines of the world, Chip fell in love with Cabernet Sauvignon, and quickly learned that blending in other varietals added layers of complexity to the overall wine. Over 30 years later, we are still dedicated to Chip's vision of making outstanding Cabernet Sauvignon and red wine.

The wine...

Returning to our roots, the 2019 California Red blend utilizes classic Bordeaux varietals that were the inspiration for the Meritage wines of California. Sourcing grapes from San Joaquin Valley, Lodi and Madera Appellations, this wine displays flavor profiles that support exquisitely crafted Meritage blends.

In the glass, this Lyeth California Red Wine opens with red fruit aromas and notes of espresso and vanilla bean. Raspberry, dark cherry and blueberry flavors are layered with hints of caramel and toasted almonds. The well-balanced tannins and subtle complexity of this wine make it ready for immediate enjoyment.
