GENERATIONS

NAPA VALLEY CABERNET SAUVIGNON

2019

IN THE VINEYARD

The grapes for this 2019 Generations Cabernet Sauvignon were grown in three vineyards in Napa Valley. Two of the vineyards are in the St. Helena appellation and lend richness and power to the wine. The third vineyard in Oakville, adds a nice suppleness to the palate and provides a good balance between the two appellations. By blending grapes from these renowned vineyards and appellations, we are able to make a wine that truly represents the best of Napa Valley Cabernet Sauvignon and honors our five generations of making wine in the Napa Valley.

CONVERSATIONS WITH THE WINEMAKER

This limited production wine is 100% Cabernet Sauvignon and the fruit was hand-harvested between October 11-17. Grapes were fermented on the skins and underwent extended maceration for an average of 46 days to lend complexity and depth to the wine before being racked to new, tight-grained, medium and medium-plus toast French oak barrels for 18-20 months of aging. Only our best barrels from Taransaud, Baron, Demptos and Ermitage were selected for this wine.

WINE PROFILE

A stunning deep purple color, this 2019 Cabernet Sauvignon opens with wafting aromas of chocolate, cedar, violet and blackcurrant. This wine is rich and full-bodied with concentrated dark fruit flavors, layered with notes of juicy raspberry and black cherry and hints of vanilla bean. The finish is long, bright and fragrant with perfectly balanced and integrated silky and velvety tannins.
