

# California Rosé

## 2019

### IN THE VINEYARD

We strive to produce distinctive wines that spotlight unique *terroirs* in a socially and environmentally responsible way, practicing sustainable viticulture and utilizing minimally intrusive winemaking techniques. The Pinot Noir & Zinfandel grapes for our 2019 Rosé were carefully chosen from warm, sunny, sustainably farmed vineyards throughout California.

### CONVERSATIONS WITH THE WINEMAKER

The 2019 vintage was a near picture-perfect growing season that began with a warm temperatures to begin and then mild temperatures for a slow development of the fruit. These mild temperatures created a long growing season and with an extended hangtime developing balanced acidity and beautiful complexity.

### TASTING NOTES

Our 2019 Rosé is a beautiful salmon color in the glass and offers floral aromatics of fresh strawberries, red cherries and rose petals. A lovely light mouthwatering wine with flavors of raspberries, watermelon and vanilla.
