

CONFESSION

2020 California Red Wine

**Wine compels revelation...
confess your deepest secrets!**

TASTING NOTES

The 2020 Confession Red Wine is dark with extroverted aromas of ripe red fruits including cherry and strawberry with an accent of dried sage and herbs. This is a bold wine filled with mingling flavors of black plum, raspberry and black pepper that come together quite nicely on the full bodied palate. Grippy tannins are followed by a decadent finish of baking spices. This is a truly delicious Red Wine.
