CONVERSATIONS WITH THE WINEMAKER

This limited edition wine is part of our “Curated Collection”, each of which has been selected by Jean-Charles Boisset to capture the style and elegance of Boisset Collection’s family of wineries. These “small batch” wines are special cuvées of which less than a thousand cases are made, and are available exclusively through your Boisset Ambassador. Trilogy is a blend of three varietals that come together to create a crisp and refreshing white wine with lively citrus aromas and stone fruit flavors.
