

LOUIS BOUILLOT

Maison Fondée en 1877

Louis Bouillot was founded in 1877 in Nuits-Saint-Georges, a little village nestled the heart of the Côte d'Or by Jean Bouillot. Jean, a wine and spirits merchant, was one of the few in his day to specialize in Crémant de Bourgogne.

Today, Louis Bouillot is still located in Nuits-Saint-Georges. With over 130 years of savoir-faire helping to guide us, we continue to specialize in Crémant de Bourgogne and have acquired international fame as Crémant de Bourgogne experts.

PERLE D'AURORE

(Pearl of the Dawn)

Rosé Brut

APPELLATION : Crémant de Bourgogne

GRAPE VARIETIES: 80% Pinot Noir & 20% Gamay

WINEMAKING TECHNIQUES: To create such a beautiful, aromatic rosé, we begin with a pneumatic pressing combined with short maceration on the skins. We follow this with the *méthode traditionnelle*, involving a bottle fermentation of at least 24 months, far past the legal requirement of 9 months, to ensure that the lees impart the maximum aromas and finesse to our wine.
