

# BEAU MONDE

BLANC DE BLANCS • BRUT

Beau Monde French sparkling wine.

A vision of life lived well, Beau Monde is the sparkling wine of the finest celebrations.

A dash of charm, the lightness of delicate effervescence, the seduction of the finest bubbles, a beautiful world of celebration lies within. . .

## Grape Varieties:

Only green-skinned grapes are used for our Blanc de Blancs, whose blend varies slightly from year to year in order to maintain a consistent house style, including Chardonnay, Ugni Blanc, Colombard, Durello and Airen.

## Winemaking:

Natural second fermentation of the blended white base wine to add bubbles follows the Charmat method. Texture is enriched through aging in contact with the wine lees in temperature controlled stainless steel vessels, with regular stirring.

## Wine Profile:

Pale yellow color, with a nice stream of bubbles. The nose features white orchard fruits, pear and white peach, with delicate floral notes. The attack is lively and dry with an elegant finish and mouthfeel that is light and refreshing.
