2021

Sonoma County Chardonnay

With its roots so deeply ensconced in the foundations of Sonoma where it was established in 1857, Buena Vista Winery is again introducing wines from Sonoma. The Sonoma wines include a diverse array of varietals that celebrate the diversity of Sonoma's terroir and the contribution of Buena Vista to establishing the California wine world.

After a few challenging years, 2021 was a steady year, allowing the grapes to ripen at their regular pace. While the yield was slightly lighter to average due to a variety of

water conservation efforts, the 2021 vintage is showing exceptional flavors – ripe, intense, and fruit forward – with a much better balance than in past year summers, and grape growers were able to maintain ideal acid levels with balanced, concentrated fruit flavors. Our Sonoma County Chardonnay was harvested from our vineyard partners in various regions of the Sonoma County appellation to craft a wine that was immediately enjoyable upon release.

Our 2021 Sonoma County Chardonnay is a well-rounded wine with pleasant and complex aromas of ripe Gala apple and Asian pear, with a touch of toasty nuttiness. Layered flavors of praline bring a nutty and sweet element, while nectarine flavors deliver a tropical fruit note. This medium-bodied Chardonnay offers a refreshing and lively finish with a smooth, velvety mouthfeel.
