SAUVIGNON BLANC
DRY CREEK VALLEY
VINTAGE 2022

ABOUT THE VINTAGE

The 2022 growing season began with ideal weather conditions through early summer, until an extended heat event beginning in late August accelerated the harvest and reduced yields for some varieties. Warm windy days brought an early harvest for those varieties that ripen early.

WINEMAKING

The grapes for this wine were whole cluster pressed and fermented in stainless steel tanks at cool temperatures. The wine was bottled February 2023.

TASTING NOTES

Vibrant and expressive on the approach with highlights of tangerine and fresh peach. The palate offers refreshing flavors of pink grapefruit, apricot and citrus zest. The finish is exhilarating with a touch of minerality and bright acidity leaving you lusting for more.
