SPECTRUM OF *style*

◆ **VIVACIOUS**

These lighter more refreshing wines may be sparkling, white or rosé, and also may be sweet or dry. However, all are on the brighter and tangier end of the flavor spectrum and will never feature oaky flavors.

FOOD PAIRING SUGGESTIONS:

Flattering with almost EVERYTHING, but best for **RAW & COLD FOODS, LOW-FAT FOODS & SPICY FOODS.**

◆ **ELEGANT**

These mid-weight reds are made in the traditional dry, earthy style of the French classics. Most are Pinot Noirs, but all share European sensibilities and a savory food-oriented flavor profile.

FOOD PAIRING:

Flexible partners for lighter meats, poultry & seafood (served hot). Ideal for dishes accented with **CHEESE, MUSHROOMS or GARLIC, but not suited for spicy heat or sugary foods!**

◆ **SENSUOUS**

These soft easy-drinking reds are ripe & fruity, but not tart or tannic. They are thoroughly modern “crowd-pleasers” that do not need food to taste their best, and some are not fully dry.

FOOD PAIRING:

These fruity reds can handle sugar and spice better than more classic reds, so they are perfect for **ASIAN CUISINE, COMFORT FOODS, BRUNCH DISHES plus casual fare like BURGERS & BBQ.**

◆ **VOLUPTUOUS**

These whites are richer in texture, thanks to riper fruit. Most are dry wines that feature the added flavor complexity of new oak barrel use, but a handful are lusciously-sweet late-harvested dessert wines.

FOOD PAIRING SUGGESTIONS:

Ideally suited to richer dishes and cooked foods, like **GRILLED OR FRIED SEAFOOD, POULTRY & WHITE MEATS, plus dishes featuring BUTTER, ONIONS or NUTS.**

◆ **POWERFUL**

These are our boldest premium reds, dark, age-worthy wines of substance. Regardless of their grape, these heavyweights are barrel-aged and quite concentrated in flavor.

FOOD PAIRING:

These big reds perform best with rich, high-protein foods such as **AGED CHEESES & RED MEATS and work brilliantly with RICHER, BOLDER SAUCES too.**
